## **Ex. 5 AC/DP**

We developed the attached paper and briefed Matt last week and he thought it was a promising approach so asked us to share it with you.

I am **Ex. 6 Personal Privacy (PP)** so if you have any question or would like to discuss you can reach out to Carrie Wehling.

John — sharing with you all per our conversation on Friday. We discussed this approach with Phil in the region but have not shared the paper as of yet. I suggest outreach to them be coordinated between OW and OGC.
